Re: Irrigation permit IRR-2026-0473

Dear Ms. Arceneaux:

Thank you for your application of August 21, 2026, to renew irrigation permit IRR-2026-0473 for the parcel at 1186 Old Mill Lane. The Authority has approved the renewal for the 2027 and 2028 growing seasons, subject to the conditions below.

1. Daily withdrawal may not exceed 38,500 gallons between June 1 and September 15.
2. The flow meter installed on May 12, 2024 must be inspected before April 30, 2027.
3. Quarterly usage reports are due on the fifteenth day after each quarter ends.

Your renewal fee of $412.00 was received on September 30, 2026. No further payment is required for this permit period. If your irrigated acreage changes, please notify the Authority within thirty days.

If you have any questions, please contact me at the number above, extension 214.

Sincerely,

Rosalind Achterberg
Permits Coordinator
